

Record that cease to take conditions do not apply

To comply with Clause 244 of the *Water Management (General) Regulation 2018*, you must use this form if you have a meter (with or without telemetry) with a cease to take condition on your approval or access licence to confirm that cease to take conditions **do not apply** and water may be taken.

Complete this form each time before you take water. If you have multiple meters, you will need to complete a separate form for each one.

Check your work approval to see what information is currently listed and review your conditions on the NSW Water Register at waterregister.watensw.com.au

What you need to do

Please complete the form with a black/blue ink pen and use BLOCK letters. You can also type directly in this form. Once completed, please print, and sign the form.

Your completed form is not required to be returned to WaterNSW, but you **must keep a copy for your records for up to five years** and have it available to show to an authorised officer from the Natural Resources Access Regulator (NRAR) on request.

Privacy statement

The personal information you provide on this form will be used and protected in accordance with WaterNSW Privacy policy. It is being collected by WaterNSW and will be used for purposes related to assessing and processing your application, or in connection with the operation of any approval granted, or for research-related purposes such as customer surveys. It may be used from time to time to contact you about services WaterNSW provides.

WaterNSW will not disclose your personal information to anybody else unless authorised by law. The provision of this information is voluntary. However, if you choose not to provide the requested information, we will not be able to process your application. You have the right to request access to, and correct details of, your personal information held by WaterNSW. Further information regarding privacy can be obtained from our website at watensw.com.au

If an approval is granted, the *Water Management Act 2000* requires that various details relating to the approval are to be recorded in the Register of Water Approvals kept by the Minister. Information recorded in the register is publicly available.

Offences and penalties

It is an offence, under section 344 of the *Water Management Act 2000*, to make a statement that you know to be false or misleading in, or in connection with, this application.

A corporation found guilty of an offence against section 344 is liable to a penalty not exceeding \$2.002 million. An individual found guilty of an offence against section 344 is liable to a penalty not exceeding \$500,500. An access licence or approval may be suspended or cancelled under the *Water Management Act 2000* in certain circumstances. These include if the holder of the licence or approval is convicted of an offence under that Act.
