

# I Spy with my little miiki (eye)...river creatures!

Test your spotting skills.

How many of these animals can you find in the picture?

Write the number in the box.

Freshwater Snail

Platypus

Water Boatman

Dragonfly

Learn another language.

Across New South Wales there are around 70 different Aboriginal Nations, each with their own language.

Let's explore, using the **Barkindji** words, for these four river creatures.

How many of these animals can you spot?

Write the number in the box.

Wiithi (Crayfish)

Paarntu (Fish)

Kaani (Lizard)

Pumuluku (Turtle)

Super challenge.

There are 10 **Diving Beetles** in the picture. Can you find them all?
